SCIENCE & ENVIRONMENT COUNCIL

Founded in 2001, the Science and Environment Council of Southwest Florida (SEC) is a non-profit collaborative of 40 leading science-based environmental organizations working between Tampa Bay and Charlotte Harbor. Our network of scientists, educators, and resource managers works to increase science-based environmental understanding, conservation,

and restoration through collaboration and public engagement in Southwest Florida. Our network serves as a catalyst and multiplier creating powerful synergy and leverage among our member organizations and the community to initiate and accomplish impactful projects no one organization would pursue on its own. The EcoSummit is our premiere event.

SPONSORSHIP OPPORTUNITIES

WHY SPONSOR

Sponsorship provides an exceptional opportunity to showcase your organization's leadership and commitment to the environmental health and prosperity of our community. Over the course of 5 days at multiple indoor and outdoor events, we expect more than 2,000 attendees from across the region representing nonprofits; federal, state, and local agencies; academia; businesses; and the general public.

Sponsors receive visibility and recognition before, during, and after the Summit. Choose from a range of Exclusive Sponsorship Opportunities and Supporting Sponsorship levels to support your goals and suit your budget.

- Share your organization's brand and messaging with an engaged audience of influencers and decision-makers
- Network with hundreds of regional leaders in the public, private, academic, and nonprofit sectors
- Make real connections with leaders, clients, and customers who are shaping the future of our region
